Application Open: 21st December 2022

Tuition Fee: Free of Charge

Application Deadline: 9th January 2023

The Institute for Education is receiving online applications for the **Award in Rethinking School Practices for Diverse Classrooms** commencing in **16th January 2023**. Synchronous (live) sessions delivered through the Institute’s portal are held as per schedule below.

Course Details

In less than a decade, the migrant student population in Malta has nearly doubled and is now making up well over 10 percent of the country’s total student body. Although most school staff are already used to working with migrant students, many have expressed the need for further training. A 2021 needs assessment conducted by the International Organization for Migration (IOM), enabled to identify Malta’s education professionals’ most prominent training needs, which provide the foundation for the training curriculum developed for this module by a selected group of national and international education experts, incorporating feedback from Training of Trainers sessions.

This Award is organised by the International Organization for Migration (IOM) Malta as part of the project “Support to the Migrant Learners’ Unit to improve the inclusion of migrant learners within mainstream education in Malta”. The project is funded by the European Union via the Structural Reform Support Programme and aims at providing technical support to the Migrant Learners’ Unit (MLU) within the Ministry for Education, Sport, Youth, research and Innovation (MEYR) to improve the inclusion of migrant learners within mainstream education in Malta.

As learners progress through the module they will:

- become more knowledgeable about Malta's migration reality and the lived experiences and challenges of migrant students;
- acquire strategies which support an intercultural learning environment; and
- gain a better understanding of the life situations and educational aspirations of migrant families and how to involve them in the education of their children.

This Award is accredited at MQF Level 6 (1ECTS). It offers an innovative learning experience and gives the perfect opportunity for educators to develop their knowledge and competences in self-sought areas. Each ECTS achieved is worth twenty-five (25) hours of total learning in the Accelerated Progression Scheme. Certificates for awards will be provided digitally through the Blockerts app.

Technological Requirements

All accepted course participants must ensure that they have a strong internet connection and working microphone and camera for synchronous (live) online sessions.

Submission of applications

Interested applicants are requested to submit an online application through the application links within the table below **by no later than Monday 9th January 2023**. Places are limited to the first fifteen (15) eligible applicants per module. Late applications will not be considered.

Applicants are required to submit certificates as well as transcripts to corroborate claims of qualifications currently in their possession.

Work experience is only verified against; GP47 or Jobsplus Employment History. CVs and letters of reference are not considered as proof of experience.

**Institute
for Education**

Schedule

Whilst every effort will be made to keep to these dates, there might be last minute changes due to factors that the IfE does not have any control over.
