The 5th Annual Symposium of the Institute for Education will be held on **23rd October 2024**. It will focus on the theme '**Minds and Machines Unite: The AI symposium**'.

The Symposium is an opportunity for local and international researchers to present their recent work on the theme of the symposium and create synergies between educators and policy makers. It will also offer workshops on the topic and provide concrete insights into the application of AI in education.

The programme of the event and the book of abstracts are now available on the [website of the IfE](#).

Please register for the event through the registration form [here](#). The event will take place in person at the Institute for Education in Pembroke. Participation is free of charge.

We look forward to welcoming you at the Symposium.

Thank you.
